For:
Souls in Purgatory
From:
Joseph D. McGarry

Since accessibility to the Poor Box for Matthew 25:35 is currently not available, kindly place your donation in an envelope marked "Poor Box" and place in collection basket. Thank you!!

"Teach, Your Children" was recorded by Crosby, Stills, Nash and Young way back in 1970 on the *Déjà Vu* album. The opening lyrics are: "You, who are on the road, must have a code that you can live by . . . Teach your children well . . . "

Perhaps those words stood for something completely different for C, S, N & Y but, for me, they offer a ray of truth and encouragement for people, both young and old, as we each journey in this pilgrimage called life. There is a "code" that each of us is called to live by and in so doing, help our children and children's children in every generation to live by it as well. It is a Code that has been handed down to us from Above, from the very hand of God, and thus it is indelibly inscribed within the very heart and soul of every man, woman and child and is therefore, forever immutable. But ever since the Fall of humankind, the enemy that is in the world has relentlessly sought to confuse and deceive God's children by insidiously presenting a humanistic philosophy that supplants God and instead makes man the center of all things. This sort of pride, or more accurately, hubris, as it is rightly called, is what caused Lucifer to fall from Heaven. And since injury loves company, as the old cliché goes, he has been hell-bent on tempting people of every generation to be eternally lost as well.

Gallup's annual "Values and Beliefs" Poll was just released and the results seem to indicate very clearly that there has been a moral decline in our Country for generations, going as far back as 1970 and even earlier. Hot button issues such as "birth control, divorce, pre-marital sex, gay and lesbian relations, smoking marijuana, and embryonic stem -cell research" (just to name a few) are viewed, according to the Poll, as being morally acceptable by at least 60% of Americans. This is alarming and unsettling to say the least. It demonstrates that we are spiraling out of control at an exponential rate and far beyond the boundaries of the moral and righteous Code of conscience.

Consider if you will the image of a "spinning top" that many of us used to have as a simple toy years ago and that seems to be popular once again. First imagine the top at the outset of its spin when it is balanced, and its movement controlled and ordered. Then, as it begins to decrease its speed of motion, it becomes unbalanced. Soon it wobbles out of control and falls down and ceases to move. This "wobbling" motion is the state where many seem to be presently. To use the Poll as an indicator, more than 60% of Americans are seemingly at this break-point, stumbling and falling, not only into a way of life that is antithetical to God's sacred Law inscribed in our hearts and souls, but one that is in keeping with the sort of pride that the father of lies and his minions perpetuate. Presumably without notice, people haphazardly "wobble" further and further out of control, unable to recognize the magnitude of their disobedience. But sooner or later, a soul will come to realize its departure from the "narrow path" of truth and righteousness and live to a day of reckoning. When that day dawns, may they fall on their knees, repent and be reconciled!

Fr. James

Prayer for Protection Against Storms

God our Father, Creator of the Universe and Lord over all creation, we humbly stand before you as your children in thanksgiving for your loving care and protection. We ask that you keep us safe from all hurricanes which may threaten us in the coming seasons. Protect us from all fear and anxiety of storms and give us an ardent trust and hope in Your love and mercy. You alone have the power to command the sea, the wind and the rain. You alone bring peace, calm, and safety. Father, we thank you in advance, for you are our only Refuge. We ask this through Christ, Your Son, Who lives and reigns with you and the Holy Spirit, one God, forever and ever. Amen.

Mary, Queen of the Apostles, and Patroness of our Diocese, pray for us.

"It is invaluable to converse with Christ, and leaning against Jesus' breast like his beloved disciple, we can feel the infinite love of his Heart. We learn to know more deeply the One who gave Himself totally, in the different mysteries of his divine and human life, so that we may become disciples and in turn enter into this great act of giving, for the glory of God and the salvation of the world... Through adoration, the Christian mysteriously contributes to the radical transformation of the world and to the sowing of the Gospel. Anyone who prays to the Saviour draws the whole world with him and raises it to God. Those who stand before the Lord are therefore fulfilling an eminent service. They are presenting to Christ all those who do not know him or are far from him; they keep watch in his presence on their behalf," *- from Our Holy Father, St. Pope John Paul II's 1996 letter to the Bishop of Liege, written on the occasion of the 750th anniversary of the first celebration of the Feast of Corpus Christi*

Please prayerfully consider committing to a Holy Hour of Adoration of Jesus in the Blessed Sacrament each week. To commit to a weekly holy hour please contact *Adorationholyhour@yahoo.com* or 772-485-1787.

Respect Life

Pro-life Prayer

Father of all mercy,
we thank you for this season of grace and light. We know that sin has blinded us.
Draw us ever closer to you, in prayer and penance. Since you, O God, are light itself, give all your people a clearer understanding of what is sin, and what is virtue.
Grant in particular that we may see, as never before, the profound dignity of every human life, including the vulnerable unborn children.
Give us grace to defend our brothers and sisters in the womb by our prayers, our words, and our self-sacrificing actions.
We pray through Christ our Lord. ***Amen***

From the rich Eucharistic themes to be drawn from today's second reading, one stewardship theme stands out: The Eucharist is Christ's gift to us. Good stewards are grateful for this gift and realize that no matter their station in life, they are welcome to come to the table and receive the body and blood of Christ. If Jesus could break bread with his betrayer, Judas, his denier, Peter, and the other ten who deserted him, then he will welcome us. Do we truly appreciate what a tremendous gift it is to approach the Lord's table? Do we realize that the Holy Spirit means to transform us by the gift of Christ's body and
